

Moulton Farm is a family owned and run farm currently in its third generation under the direction of John Moulton

The current farming operation has more than 65 acres in cultivation and grows over 50 different crops each year.

Products offered in the farm stand include all fruits of the fields plus their famous corn on the cob and vegetables, pumpkins, gourds, fresh baked pies breads and pastries, hormone free Black Angus meats, fresh fish and lobsters in season, flower and vegetable plants, a full line of annuals, perennials and shrubbery, prepared condiments jams and jellies, cut your our flowers and fresh floral arrangements, Christmas trees and wreaths for the Holiday Season.

Custom orders are gratefully accepted.

Moulton Farm is open every day from May 1 through December 24.

We look forward to seeing you at the Farm.
