*Tractor ride can hold approx. 20 people per ride. Ride lasts 15-20 minutes.

_____ Option #1 - \$7.00 per student - The group will have a guided educational tour of the farm on a tractor ride, admission to the corn maze and will be given 2 medium sized jack pumpkins. Each student also receives an apple. (PLU 10080)

_____ Option #2 - \$5.00 per student - The group will receive admission to the corn maze and will be given 2 medium sized jack pumpkins. Each student also receives an apple. (PLU 10081)

_____ Option #3 - \$10.00 per student - The group will have a guided educational tour of the farm on a tractor ride, admission to the corn maze and will be given 2 medium sized jack pumpkins. Each student also receives an apple. In addition to Option #1, the class will receive an in-school educational session in Nov. or Dec. on an aspect of agriculture. Lesson plan developed specific for the age group and the current teachings of each class. This will be coordinated with our education outreach coordinator - Derek Collins M. Ed (PLU 10082)

*There is a 10 child minimum per tour and there is no charge for chaperones
